Hon. Phillip D. Murphy
Governor, State of New Jersey
P.O. Box 001
Trenton, NJ 08625

Dear Governor Murphy,

I am writing to respectfully request the cancellation of bear hunt in New Jersey. Many residents including my constituents, are deeply concerned about the ethical and environmental impacts of this practice.

New Jersey has a unique opportunity to lead with compassionate and sustainable wildlife management solutions. I encourage you to explore alternatives that prioritize both public safety and the humane treatment of our bear populations.

Again, I kindly request you reconsider the New Jersey black bear hunt.

Sincerely,

A handwritten signature in cursive script that reads "Kevin P. Egan".
