

For voters who care about animals and want the strongest laws possible to protect them.

League of Humane Voters of New Jersey ♦ PO Box 17 ♦ Manalapan NJ 07726 ♦ www.lohvnj.org ♦ info@lohvnj.org

LOHV-NJ ADVISORY

For endorsement purposes, LOHV-NJ makes no distinction between cruelty to companion or domestic animals, and cruelty to wildlife.

This inclusive policy can lead to apparent arbitrary endorsements. A legislator who actively sponsors or repeatedly votes for legislation promoting cruel trapping or killing of wildlife will not obtain an LOHV-NJ endorsement even if he or she sponsors, or votes for, an anti-cruelty bill for other animals. Too often, legislators working hand in glove with the shooting, trapping, or archery industries deliberately sponsor "anti-cruelty" bills to inoculate themselves from a humane backlash. The League chooses not to be divided, nor conquered.

A beaver clamped between the monstrously powerful jaws of a body-gripping trap suffers no less than a brutally abused companion animal.

For the above reasons, we have included candidates' votes on companion, farm, exotic, and wildlife issues. Members may review these votes and cast their own accordingly.

In certain cases, LOHV-NJ has factored in previous, humane votes cast during the previous session against damaging wildlife bills, or assistance in halting negative legislation, to arrive at our endorsement.
